# MILIT GROUP

## VALUES

We are committed to values of quality, sustainability, and responsibility. We believe the production of cleaning and laundry products should contribute to a cleaner and healthier world, so we emphasize the use of quality ingredients and traditional recipes. Our products are designed to be effective and safe for use in households and industries, without harming the environment. Milit Group values its customers and continually strives for innovations that reflect their needs and expectations. Our goal is to provide not only exceptional quality but also to contribute to a sustainable future for all.

## VISION

The vision of Milit Group is to become a leading manufacturer of cleaning and laundry products that combines tradition with innovation to deliver **high-quality and safe products**.

## EXPERIENCE

Our mission is to utilize decades of expertise and experience of our specialists to develop formulas that are not only effective but also **environmentally friendly and safe for consumers**. With an emphasis on traditional and proven methods as well as modern technologies, we ensure consistent quality and reliability. Milit Group is committed to being a trustworthy business partner who delivers on time and provides solutions that meet customer needs.

## SAFETY

Our products are synonymous with safety, trust, and quality, making us the number one choice for all seeking a reliable supplier of cleaning products.

The background features a large, vibrant red shape that curves from the top right towards the center, creating a sense of depth and movement. This red shape is set against a clean white background.

**ORIGINAL  
QUALITY WITH  
TRADITION**

Milit Group is a traditional manufacturer of quality cleaning and laundry products for households, various industrial sectors, and automobiles. With experts who have long-standing experience and an emphasis on innovation, we offer a wide range of products that are environmentally friendly and highly effective. Thanks to careful selection of ingredients and modern production methods, we guarantee high quality that meets the needs of individuals and professionals alike. We continually improve our products and services to help customers achieve the best possible results with every use.

# POWDERS

Our powder detergent category offers reliable and highly effective solutions for professional laundries, cleaning operations and industrial use. The products in this range are designed to handle everyday loads and deliver maximum results with minimal consumption. Whether you need to thoroughly wash textiles, maintain brilliant whiteness or remove heavy dirt from operating areas, you will find the appropriate solution here.

The range includes universal washing powder Bio Active PRO® with enzymes for effective washing of various laundry, specialized Whitening PRO® with an advanced bleaching formula for restoring whiteness and hygienic washing, as well as powerful Torsan® PRO® - a cleaning and hygiene powder for removing heavy dirt from technical and industrial operations. Each of these products is developed with an emphasis on high efficiency, reliability and professional results.

5.01

## CLEANING POWDER TORSAN® PRO®

- Highly effective alkaline powder for cleaning heavily soiled surfaces
- Removes grease, organic dirt and tar deposits
- Suitable for many industries, kitchens, operations and technological equipment
- Can be used on stainless steel, enamel, ceramics, concrete and other resistant surfaces
- Effectiveness significantly increases when using warm water (50–70 °C)
- Easy application in the form of a solution or soaking
- Saves time and labor thanks to the rapid onset of action
- EAN: 8594221200216

5.02

## WASHING POWDER BIO ACTIVE PRO®

- Highly effective detergent for professional use
- Contains active enzymes for effective removal of protein and grease stains
- Effective washing even at lower temperatures - energy saving
- Ideal for hotels, restaurants, healthcare facilities and industrial laundries
- Quickly soluble, leaves no residue on laundry
- EAN: 8594221200292

5.03

## WASHING POWDER WHITENING PRO®

- Specially designed for professional use where perfect whiteness and hygiene are key
- Ideal for tablecloths, bed linen, towels and work clothes made of white textiles
- Effectively removes even deep-seated dirt and prevents laundry from turning grey
- Safe for fibers - bleaching without damaging the fabric structure
- Reliable results even in very hard water
- EAN: 8594221200308
